Member volunteers are critical to operating our Robin Hood Swim Club each summer. Without the active involvement of our members, we could not do many of the activities and events we want to do each summer. We ask that one member of your household please commit to volunteering to help with one or more activities this year, or indicate that you'll include an extra \$25 with your dues instead, if you are unable to volunteer.

<input type="checkbox"/>	1st Spring clean-up (April TBD)
<input type="checkbox"/>	2nd Spring clean-up (May TBD)
<input type="checkbox"/>	Pre-opening set up (5/28)
<input type="checkbox"/>	Mowing of grounds (dates TBD)*
<input type="checkbox"/>	Fourth of July (7/4)
<input type="checkbox"/>	End of season clean-up (9/6)
<input type="checkbox"/>	1st Fall clean-up (October TBA)
<input type="checkbox"/>	2nd Fall clean-up (Oct./Nov. TBA)

I would prefer to pay an additional \$25 instead.

*The grounds outside the pool facility fence are mowed by a company. But the interior grounds (within the fence) of the pool need to be mowed on a weekly basis. We provide the mower and the gasoline for the mower, but we need volunteers to come before or after the pool is open during the summer to help mow the area inside the fence. A sign-up link to help us with this will be shared before the pool opens, but we need volunteers willing to sign up for a week sometime this summer.
